ICD Host Inter School Carol Service

Recently the college hosted an Inter School Carol Service involving Year 8 students and staff from the secondary level schools and colleges in the South Tyrone Area. Students and staff from Windmill Integrated Primary School and Armagh Integrated College were in attendance.

Speaking about the service Mr Sleeth said, "I very much look forward to this annual event and was delighted that we were able to host it this year. It's a great opportunity for local schools and colleges to gather and worship together."

Primary School Links

In order to strengthen links with local primary schools, ICD has offered all feeder primary schools the opportunity to avail of lessons at the college. Lessons offered to pupils at KSII include Art & Design, Science, Home Economics and Technology and Design. These lessons are organised and delivered by subject specialists within the college at no cost to the primary school other than the cost of transporting pupils to and from ICD.

If your primary school would like to avail of this opportunity please contact the college.

Students Fionnuala Ross, Joseph Collins and Emma Rice, who achieved success in the recent All-Ireland Cross Country qualifiers held in Belfast and Donegal. The College had four athletes in the All-Ireland Finals, Fionnuala represented the College in the U-17 Girls' Race in Athlone, Emma, Cormac and Joseph ran in the U-16 Girls' and Boys' Races in Dungarvan, County Waterford. Also in the picture is Head of PE, Mr Stephen Rice and College Principal Mr Andrew Sleeth.

Student Promotions

Congratulations to Year 14 student Rachel Lesslar and Year 13 student, Emma McShane who have been chosen to be student representatives on the Board of Governors.
