

# ICD Safeguarding Team

**Mr Andrew Sleeth,  
Head of Safeguarding Team**

At ICD, we honour our pastoral responsibility towards the children and young people in our charge and take all reasonable steps to ensure that their safety is preserved.

The vision and ethos of our college is integrally child-centred. In this way, in all matters relating to child protection, the best interests of the students is our paramount consideration.

The purpose of the Safe Guarding Team is to protect our students by ensuring that all teaching, non-teaching staff and volunteers have clear guidance as to what action is to be taken, should they have any concerns regarding child protection.
